THE NOTES

SECTION 2.1. Form, Dating and Terms.

(a) The Notes shall be known and designated as 0.875% Convertible Senior Notes due 2017. Pursuant to the provisions of Article VI, the Notes shall be convertible into Common Stock. Subject to the terms of this Indenture the Company may, at its option, without consent from the Holders, issue Additional Notes from time to time. For all purposes under the Indenture, the term “Notes” shall include the Initial Notes and any such Additional Notes issued after the date of this Indenture.

Notes may be authenticated and delivered upon registration or transfer of, or in lieu of, other Notes pursuant to Section 2.6, 2.7 or 10.8.

The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage, in addition to those set forth on Exhibit A. The Company and the Trustee shall approve the forms of the Notes and any notation, endorsement or legend on them. Each Note shall be dated the date of its authentication. The terms of the Note set forth in Exhibit A are part of the terms of this Indenture and, to the extent applicable, the Company and the Trustee, by their execution and delivery of this Indenture, expressly agree to be bound by such terms.

The principal of and interest on the Notes shall be payable at the office or agency of the Company maintained for such purpose in the City of New York, or at such other office or agency of the Company as may be maintained for such purpose pursuant to Section 2.3. Payments in respect of a Definitive Note (including principal and interest) shall be made in U.S. dollars at the office of the Trustee. At the Company's option, however, the Company may make such payments by mailing a check to the registered address of each Holder thereof as such address as shall appear on the Note Register or with respect to Notes represented by a Global Note, by wire transfer of immediately available funds to the accounts specified by the Depository. If a payment date is a date other than a Business Day, payment may be made at that place on the next succeeding day that is a Business Day and no interest shall accrue for the intervening period.

(b) The Notes shall be initially issued in the form of one or more permanent Global Notes, without interest coupons, substantially in the form of Exhibit A. Such Global Notes shall be deposited on behalf of the purchasers of the Notes represented thereby with the Notes Custodian for the Depository for the accounts of participants in the Depository, duly executed by the Company and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of a Global Note may from time to time be increased or decreased by adjustments made on the records of the Notes Custodian, as hereinafter provided.

(c) The Notes shall be issuable only in fully registered form, without coupons, and only in denominations of \$2,000 and \$1,000 integral multiples thereof.

(d) Each Global Note shall bear the following legend:

“THIS SECURITY IS A GLOBAL SECURITY WITHIN THE MEANING OF THE INDENTURE HEREINAFTER REFERRED TO AND IS REGISTERED IN THE NAME OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION (“DEPOSITORY”), OR A NOMINEE OF THE DEPOSITORY, WHICH MAY BE TREATED BY THE COMPANY, THE TRUSTEE AND ANY AGENT THEREOF AS THE OWNER AND HOLDER OF THIS SECURITY FOR ALL PURPOSES. UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TO THE COMPANY OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE

ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITARY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITARY), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

“TRANSFERS OF THIS GLOBAL SECURITY SHALL BE LIMITED TO TRANSFERS IN WHOLE, BUT NOT IN PART, BY THE DEPOSITARY TO A NOMINEE OF THE DEPOSITARY OR BY A NOMINEE OF THE DEPOSITARY TO THE DEPOSITARY OR ANOTHER NOMINEE OF THE DEPOSITARY OR BY THE DEPOSITARY OR ANY SUCH NOMINEE TO A SUCCESSOR DEPOSITARY OR A NOMINEE OF SUCH SUCCESSOR DEPOSITARY, AND TRANSFERS OF PORTIONS OF THIS GLOBAL SECURITY SHALL BE LIMITED TO TRANSFERS MADE IN ACCORDANCE WITH THE RESTRICTIONS SET FORTH IN THE INDENTURE REFERRED TO ON THE REVERSE HEREOF.”

(e) The following book-entry provisions shall apply to Global Notes deposited with the Notes Custodian:

(i) Each Global Note initially shall (x) be registered in the name of the Depository for such Global Note or the nominee of such Depository and (y) be delivered to the Notes Custodian.

(ii) Except as provided herein, members of, or participants in, the Depository (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or by the Notes Custodian or under such Global Note, and the Depository may be treated by the Company, the Trustee, the Notes Custodian and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of the Depository governing the exercise of the rights of a Beneficial Owner of an interest in any Global Note.

(iii) The registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Notes.

(iv) In connection with the transfer of an entire Global Note to Beneficial Owners pursuant to Section 2.1(f), such Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Company shall execute, and the Trustee shall authenticate and deliver, to each Beneficial Owner identified by the Depository in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. The definitive securities shall be printed, lithographed or engraved or produced by any combination of these methods, if required by any securities exchange on which the Notes may be listed, on a steel engraved border or steel engraved borders or may be produced in any other manner permitted by the rules of any securities exchange on which the Notes may be listed, all as determined by the officers executing such Notes, as evidenced by their execution of such Notes.

(v) Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (a) the Holder of such Global Note (or its agent) or (b) any Holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

(f) Owners of beneficial interests in Global Notes will not be entitled to receive Definitive Notes; provided, however, Definitive Notes shall be transferred to all Beneficial Owners in exchange for their beneficial interests in a Global Note if the Depository notifies the Company that it is unwilling or unable to continue as depository for such Global Note or the Depository ceases to be a clearing agency registered under the Exchange Act, at a time when the Depository is required to be so registered in order to act as Depository, and in each case a successor depository is not appointed by the Company within 90 days of such notice. The Company shall promptly deliver a copy of any notice referred to in the foregoing sentence to the Trustee.

SECTION 2.2. Execution and Authentication.

An Officer shall sign the Notes for the Company by manual or facsimile signature. If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee manually authenticates the Note. The signature of the Trustee on a Note shall be conclusive evidence that such Note has been duly and validly authenticated and issued under this Indenture.

The Trustee will, upon receipt of a written order of the Company signed by an Officer of the Company (a "Company Order"), authenticate Notes, including any Additional Notes, in an unlimited aggregate principal amount, subject to the provisions of this Indenture. Each Company Order will specify the amount of Notes to be authenticated, the date on which the Notes are to be authenticated and, in the case of Additional Notes, the issue price of such Notes.

The Trustee may appoint an agent (the "Authenticating Agent") reasonably acceptable to the Company to authenticate the Notes. Unless limited by the terms of such appointment, any such Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such Authenticating Agent.

In case the Company pursuant to Article IV shall be consolidated or merged with or into any other Person or shall convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person, and the successor Person resulting from such consolidation, or surviving such merger, or into which the Company shall have been merged, or the Person that shall have received a conveyance, transfer, lease or other disposition as aforesaid, shall have executed an indenture supplemental hereto with the Trustee pursuant to Article IV, any of the Notes authenticated or delivered prior to such consolidation, merger, conveyance, transfer, lease or other disposition may, from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon Company Order of the successor Person, shall authenticate and deliver Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 2.2 in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time outstanding for Notes authenticated and delivered in such new name.

SECTION 2.3. Registrar, Conversion Agent and Paying Agent.

The Trustee shall initially serve as the Registrar, Conversion Agent and Paying Agent for the Notes. The Registrar, the Conversion Agent and the Paying Agent shall each maintain an office or agency in the Borough of Manhattan, The City of New York. The Registrar shall keep a register of the Notes and of their transfer and exchange (the "Note Register"). The Company may have one or more co-registrars and one or more additional conversion agents and paying agents. The term Paying Agent includes any additional paying agents, the term Conversion Agent includes any additional conversion agents and the term Registrar includes any co-registrar. The Company may appoint and change any Paying Agent, Conversion Agent or Registrar without prior notice to any Holder.

The Company shall enter into an appropriate agency agreement with any Registrar, Conversion Agent or Paying Agent not a party to this Indenture, which shall incorporate the terms of the TIA. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee in writing of the name and address of each such agent. If the Company fails to maintain a Registrar, Conversion Agent or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 8.7. The Company or any of its domestically incorporated Subsidiaries may act as Paying Agent, Conversion Agent or Registrar.

The Company may remove any Registrar, Conversion Agent or Paying Agent upon written notice to such Registrar, Conversion Agent or Paying Agent and to the Trustee; provided, however, that no such removal shall become effective until (i) acceptance of any appointment by a successor as evidenced by an appropriate agreement entered into by the Company and such successor Registrar, Conversion Agent or Paying Agent, as the case may be, and such agreement is delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar, Conversion Agent or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar, Conversion Agent or Paying Agent may resign at any time upon written notice to the Company and the Trustee.

SECTION 2.4. Paying Agent To Hold Money and Securities in Trust.

Except as otherwise provided herein, on or prior to 10:00 a.m. (New York City time) on each due date of payment in respect of any Note, the Company shall deposit with the Paying Agent a sum of money (in immediately available funds) sufficient to make such payments when due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal of, interest on, and other payments in respect of the Notes, and shall notify the Trustee in writing of any default by the Company in making any such payment. If the Company or a Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund for the benefit of the Holders of the Notes. The Company at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.4, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy, reorganization or similar proceeding with respect to the Company, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.5. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar or to the extent otherwise required under the TIA, the Company, on its own behalf, shall furnish to the Trustee, in writing at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may reasonably request in writing within 15 days, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders and the Company shall otherwise comply with TIA § 312(a).

SECTION 2.6. Transfer and Exchange.

(a) The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.1 or this Section 2.6 until the Notes have matured and been paid in full. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time during regular business hours upon the giving of reasonable prior written notice to the Registrar.

(b) The following obligations with respect to transfers and exchanges of Notes shall apply:

(i) To permit registrations of transfers and exchanges, the Company shall, subject to the other terms and conditions of this Article II, execute and the Trustee shall upon receipt of a Company Order, authenticate Definitive Notes and Global Notes at the Registrar's request.

(ii) No service charge shall be made to a Holder for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax, assessments or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charges payable upon exchange or transfer pursuant to Section 3.6).

(iii) The Registrar shall not be required to register the transfer of or exchange of any Note (A) for a period beginning at the opening of business 15 days before any selection of Notes for repurchase and ending at the close of business on the day notice of such repurchase is deemed to have been given to all Holders of Notes to be so repurchased or (B) selected for repurchase in whole or in part.

(iv) Except as provided herein, prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, Paying Agent, the Conversion Agent or the Registrar may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent, the Conversion Agent or the Registrar shall be affected by notice to the contrary.

(v) All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

SECTION 2.7. Mutilated, Destroyed, Lost or Stolen Notes.

If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, subject to compliance with the provisions of the next sentence of this Section 2.7, the Company shall issue and the Trustee, upon Company Order, shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met such that the Holder (a) notifies the Company and the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar has not registered a transfer prior to receiving such notification, (b) makes such request to the Company prior to the Company having notice that the Note has been acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "protected purchaser") and (c) satisfies any other reasonable requirements of the Company and the Trustee. Such Holder shall furnish an indemnity bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent, the Conversion Agent and the Registrar from any loss which any of them may suffer if a Note is replaced. In the absence of notice to the Company, the Trustee, Paying Agent, Conversion Agent or Registrar that such Note has been acquired by a protected purchaser, the Company shall execute and upon Company Order the Trustee shall authenticate and deliver, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Company in its discretion, but subject to any conversion rights, may, instead of issuing a new Note, pay such Note upon satisfaction of the conditions set forth in the preceding paragraph.

Upon the issuance of any new Note under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including attorneys' fees and expenses and the fees and expenses of the Trustee) in connection therewith.

Every new Note issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Company and any other obligor upon the Notes, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.8. Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel and dispose of them in accordance with its customary procedures and upon written request of the Company shall return to the Company all Notes surrendered for registration of transfer, exchange, payment, purchase, conversion or cancellation. All Notes so delivered to the Trustee shall be cancelled promptly by the Trustee. The Company may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation.

At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, paid, repurchased, converted or canceled, such Global Note shall be returned by the Depositary or the Notes Custodian to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, paid, repurchased, converted or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the Global Note and on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

SECTION 2.9. Payment of Interest; Defaulted Interest.

Interest on any Note that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more predecessor Notes) is registered at the close of business on the Regular Record Date for such interest at the office or agency of the Company maintained for such purpose pursuant to Section 2.3.

Any interest on any Note that is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the Regular Record Date, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called "Defaulted Interest") shall be paid by the Company, at its election, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the "Special Interest Payment Date"), and the Company shall make arrangements reasonably satisfactory to the Trustee to deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a record date (the "Special Record Date") for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the Special Interest Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date, and in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor, which notice shall be prepared by the Company and shall be in a form reasonably acceptable to the Trustee, to be given in the manner provided for in Section 11.2, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (b).

(b) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Note delivered under this Indenture upon registration of transfer of, or in exchange for, or in lieu of any other Note shall carry the rights to interest accrued and unpaid which were carried by such other Note.

SECTION 2.10. Computation of Interest.

Interest on the Notes shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

SECTION 2.11. CUSIP Numbers.

The Company in issuing the Notes and Common Stock upon conversion of the Notes may use CUSIP numbers (if then generally in use). The Trustee shall not be responsible for the use of CUSIP numbers, and the Trustee makes no representation as to their correctness as printed on any Note, certificate of Common Stock or notice to Holders and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee in writing of any change in the CUSIP numbers.

SECTION 2.12. Calculations in Respect of the Notes.

The Company shall be responsible for making all calculations called for under the Notes. These calculations include, but are not limited to, determinations of the Closing Sale Price of the Common Stock, any accrued interest payable on the Notes and the Conversion Rate of the Notes. The Company shall make these calculations in good faith and, absent manifest error, such calculations will be final and binding on Holders of the Notes. The Company shall provide to the Trustee a schedule of its calculations, and the Trustee, subject to Sections 8.1 and 8.2, shall be entitled to rely upon the accuracy of such calculations without independent verification. The Trustee shall forward the Company's calculations to any Holder of the Notes upon the request of such Holder.

ARTICLE III
COVENANTS

SECTION 3.1. Payment of Notes.

The Company will pay or cause to be paid the principal of and interest, if any, on the Notes on the dates and in the manner provided in the Notes. Principal and interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. New York City time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal and interest then due.

The Company will pay interest on overdue principal at the then applicable interest rate on the Notes to the extent lawful; it will pay interest on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

SECTION 3.2. Maintenance of Office or Agency.

The Company will maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York, for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company.

SECTION 3.3. Compliance Certificate.

The Company shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company an Officers' Certificate, one of the signatories of which shall be the chief executive officer, chief financial officer or chief accounting officer of the Company, stating that in the course of the performance by the signer of his or her duties as an Officer of the Company, he or she would normally have knowledge of any Default and whether or not such signer knows of any Default that occurred during such period. If such signer does have knowledge of a Default, the certificate shall describe the Default, its status and what action the Company is taking or proposes to take with respect thereto. The Company also shall comply with Section 314(a)(4) of the TIA.

The Company shall deliver to the Trustee, as soon as possible and in any event within five days after the Company becomes aware of the occurrence of any Default or Event of Default, an Officers' Certificate setting forth the details of such Default or Event of Default and the action that the Company is taking or proposes to take with respect thereto.

SECTION 3.4. Reservation of Common Stock.

The Company shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock or shares held in treasury by the Company, for the purpose of effecting the conversion of Notes, the full number of shares of Common Stock then issuable upon the conversion of all outstanding Notes.

SECTION 3.5. Issuance of Shares.

All shares of Common Stock delivered upon conversion of the Notes shall be newly issued shares or shares held in treasury by the Company, shall have been duly authorized and validly issued and shall be fully paid and nonassessable, and shall be free from preemptive rights and free of any Lien or adverse claim.

SECTION 3.6. Transfer Taxes.

If a Holder converts Notes for shares of Common Stock, the Company will pay any and all documentary, stamp or similar issue or transfer tax due on the issue of shares of Common Stock upon the conversion. The Company shall not, however, be required to pay any tax or duty that may be payable in respect of any transfer involved in the issue and delivery of shares of Common Stock in a name other than that of the Holder of the Note or Notes to be converted, and no such issue or delivery shall be made unless and until the Person requesting such issue has paid to the Company the amount of any such tax or duty, or has established to the satisfaction of the Company that such tax or duty has been paid.

SECTION 3.7. Offer To Repurchase upon a Fundamental Change.

(a) Subject to Section 3.7(d) hereof, upon the occurrence of a Fundamental Change at any time prior to Stated Maturity, each Holder may require the Company to repurchase the Notes on a date chosen by the Company in its sole discretion that is no less than 20 Business Days and no more than 35 Business Days (subject to extension to comply with applicable law) after the Company sends the Fundamental Change Repurchase Right Notice (the “Fundamental Change Repurchase Date”), and the Company shall repurchase on the Fundamental Change Repurchase Date, any or all Notes submitted for repurchase for cash, or any portion of the initial principal amount thereof that is equal to \$2,000 or an integral multiple of \$1,000, provided that the principal amount of such security to remain outstanding is equal to \$2,000 or an integral multiple of \$1,000, at a price equal to 100% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but not including the Fundamental Change Repurchase Date, unless such Fundamental Change Repurchase Date falls after a Regular Record Date and on or prior to the corresponding Interest Payment Date, in which case the Company shall pay the full amount of accrued and unpaid interest payable on such Interest Payment Date to the Holder of record at the close of business on the corresponding Regular Record Date. At least 20 Business Days prior to the anticipated Effective Date of the Fundamental Change (or if the Company does not have actual notice of a Fundamental Change 20 Business Days prior to the Effective Date, as soon as the Company has actual notice of such Fundamental Change), the Company will provide to all Holders of the Notes, the Trustee, the Paying Agent, the Registrar and the Conversion Agent a notice (the “Fundamental Change Notice”) stating:

- (1) if applicable, whether the Company will adjust the Conversion Rate pursuant to Section 6.5(e) hereof;
- (2) the anticipated Effective Date of the Fundamental Change; and
- (3) whether the Company expects that Holders will have the right to require the Company to repurchase their Notes as described in this Section 3.7.

(b) On or before the 20th Trading Day after the Effective Date of a Fundamental Change, the Company will provide to all Holders of the Notes and the Trustee, the Paying Agent, the Registrar and the Conversion Agent a notice of the occurrence of the Fundamental Change and of the resulting repurchase right (the “Fundamental Change Repurchase Right Notice”). Each Fundamental Change Repurchase Right Notice shall state:

(1) the events causing the Fundamental Change;

(2) if the Company is required to adjust the Conversion Rate and related conversion obligation as described in Section 6.5(e) hereof pursuant to a Fundamental Change that falls under clause (2), (3) or (4) of the definition of Fundamental Change, the Conversion Rate and any adjustments to the Conversion Rate;

(3) the Effective Date, if applicable;

(4) the last date on which a Holder may exercise such repurchase right;

(5) the Fundamental Change repurchase price;

(6) the Fundamental Change Repurchase Date;

(7) the name and address of the Paying Agent and the Conversion Agent;

(8) that the Notes with respect to which the Fundamental Change Repurchase Right Notice has been given may be converted only if the Holder thereof withdraws any Fundamental Change Repurchase Notice previously delivered by such Holder in accordance with the terms of this Indenture; and

(9) the procedures that Holders must follow to require the Company to repurchase their Notes.

(c) A Holder may exercise its right specified in Section 3.7(a) upon delivery of a notice of repurchase (a "Fundamental Change Repurchase Notice") in accordance with the requirements below delivered to the Paying Agent at any time prior to 5:00 p.m., New York City time, on the second Business Day immediately preceding the Fundamental Change Repurchase Date, stating:

(1) the Applicable Procedures or, if such Holder holds Definitive Notes, the certificate numbers of the Notes which the Holder will deliver to be repurchased;

(2) the portion of the principal amount of the Notes which the Holder will deliver to be repurchased, which portion must be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof; and

(3) that such Notes are to be purchased by the Company as of the Fundamental Change Repurchase Date pursuant to the terms and conditions specified in the Notes and in this Indenture.

If the Notes are not in certificated form, the Fundamental Change Repurchase Notice must comply with the Applicable Procedures.

The delivery of such Notes (either through the surrender of Definitive Notes or through the delivery of beneficial interests in a Global Note in accordance with the Applicable Procedures) to the Paying Agent with, or at any time after delivery of, the Fundamental Change Repurchase Notice (together with all necessary endorsements) at the offices of the Paying Agent shall be a condition to the receipt by the Holder of payment therefor; provided, however, that such payment shall be so paid pursuant to this Section 3.7 only if the Notes so delivered to the Paying Agent shall conform in all respects to the description thereof in the related Fundamental Change Repurchase Notice. Any repurchase by the Company pursuant to the provisions of this Section 3.7 shall be consummated by the delivery of the consideration to be received by the Holder promptly following the later of the Fundamental Change Repurchase Date and the time of delivery of the Notes.

Unless the Company defaults in the payment for the Notes to be repurchased pursuant to this Section 3.7, and provided that the Company or a Subsidiary thereof is not serving as the Paying Agent and the Paying Agent holds money or securities sufficient to pay the repurchase price of such Notes on the Fundamental Change Repurchase Date, such Notes will cease to be outstanding and interest, if any, shall cease to accrue on the Notes or portions thereof delivered for repurchase on the Fundamental Change Repurchase Date (whether or not book-entry transfer of the Notes is made or whether or not the Notes are delivered to the Paying Agent) and all other rights of the Holders of the Notes to be repurchased pursuant to this Section 3.7 shall terminate (other than the right to receive payment upon delivery or transfer of the Notes).

(d) The Company will comply with the requirements of Rule 13e-4 and Rule 14e-1 under the Exchange Act, including the filing of a Schedule TO if required, and will comply with the requirements of any other federal and state securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes by the Company as a result of a Fundamental Change. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 3.7, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 3.7 by virtue of such conflict.

(e) On or before the Fundamental Change Repurchase Date, the Company will, to the extent lawful:

- (1) accept for payment all Notes or portions thereof properly tendered;
- (2) deposit with the Paying Agent an amount equal to the payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company in accordance with the terms of this Section 3.7.

The Paying Agent will promptly mail to each Holder of Notes properly tendered the payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each new Note will be in a principal amount of \$2,000 and integral multiples of \$1,000 in excess thereof.

Notwithstanding anything contained herein to the contrary, Holders of the Notes will not have the right to require the Company to repurchase any Notes pursuant to the occurrence of any of the events identified in clauses (2) or (3) of the definition of Fundamental Change (and the Company will not be required to deliver the Fundamental Change Repurchase Right Notice incidental thereto), if at least 90% of the consideration paid for the Common Stock (excluding cash payments for fractional shares, cash payments made pursuant to dissenters' appraisal rights and cash dividends) in a Fundamental Change under clause (2) and/or clause (3) of the definition of Fundamental Change consists of shares of common stock traded on the NYSE or another U.S. national securities exchange or quoted on NASDAQ or another established automated over-the-counter trading market in the United States (or will be so traded or quoted immediately following the merger or consolidation) and, as a result of such Fundamental Change, the Notes become convertible into such shares of such common stock.

(f) Upon receipt by the Paying Agent of a Fundamental Change Repurchase Notice specified in Section 3.7(c) hereof, the Holder of the Notes in respect of which such Fundamental Change Repurchase Notice was given shall (unless such Fundamental Change Repurchase Notice is withdrawn as specified in Section 3.7(g) hereof) thereafter be entitled to receive solely the payment described in Section 3.7(a) hereof with respect to such Notes. Such payment shall be paid to such Holder, subject to the Paying Agent holding money or securities sufficient to make such payment on the Fundamental Change Repurchase Date, promptly following the later of (a) the Fundamental Change Repurchase Date (provided the conditions in Section 3.7(c) have been satisfied) and (b) the time of book-entry transfer or the delivery of such Notes to the Paying Agent by the Holder thereof in the manner required by Section 3.7(c). Notes in respect of which a Fundamental Change Repurchase Notice has been given by the Holder thereof may not be converted pursuant to Article VI on or after the date of the delivery of such Fundamental Change Repurchase Notice unless such Fundamental Change Repurchase Notice has first been validly withdrawn as specified in Section 3.7(g) hereof.

(g) Notwithstanding anything contained herein to the contrary, any Holder that has delivered to the Paying Agent the Fundamental Change Repurchase Notice contemplated by Section 3.7(c) hereof shall have the right to withdraw such Fundamental Change Repurchase Notice, in whole or in part, by means of a written notice of withdrawal delivered to the Paying Agent at any time prior to 5:00 p.m., New York City time, on the second Business Day immediately preceding the Fundamental Change Repurchase Date, specifying:

- (1) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted;
- (2) the certificate numbers of the Definitive Notes, if any, in respect of which such notice of withdrawal is being submitted; and

(3) the principal amount, if any, of such Notes that remain subject to the original Fundamental Change Repurchase Notice and which have been or will be delivered for repurchase by the Company.

If the Notes with respect to which the notice of withdrawal is being submitted are not in certificated form, the notice of withdrawal must comply with the Applicable Procedures.

(h) The Trustee shall be under no obligation to ascertain the occurrence of a Fundamental Change or to give notice to the Holders with respect thereto. The Trustee may conclusively assume, in the absence of written notice to the contrary from the Company, that no Fundamental Change has occurred.

ARTICLE IV SUCCESSORS

SECTION 4.1. Merger, Consolidation, or Sale of Assets.

The Company shall not, directly or indirectly, consolidate or merge with or into any other Person in a transaction in which the Company is not the surviving corporation or convey, transfer or lease the properties and assets of the Company substantially as an entirety to any successor Person, unless:

(1) the successor Person, if any, is:

(a) a corporation organized and existing under the laws of the United States, any state of the United States, or the District of Columbia, and

(b) such Person assumes the Company's obligations on the Notes and under this Indenture pursuant to agreements reasonably satisfactory in form and substance to the Trustee;

(2) immediately after giving effect to the transaction, no Default or Event of Default will have occurred and be continuing; and

(3) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with this Article IV and that all conditions precedent herein provided for relating to such transaction have been satisfied.

This Section 4.1 will not apply to a merger of the Company with an Affiliate solely for the purpose of reincorporating the Company in another jurisdiction.

SECTION 4.2. Successor Corporation Substituted.

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is subject to, and that complies with the provisions of, Section 4.1 hereof, the successor Person formed by such consolidation with or into which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the “Company” shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; provided, however, that the predecessor Company shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale of all of the Company’s assets in a transaction that is subject to, and that complies with the provisions of, Section 4.1 hereof.

ARTICLE V
REDEMPTION OF NOTES

SECTION 5.1. No Optional Redemption.

The Notes are not redeemable by the Company prior to Maturity.

ARTICLE VI
CONVERSION OF NOTES

SECTION 6.1. Conversion Right and Conversion Rate.

(a) Subject to and upon compliance with the provisions of this Article VI, at the option of the Holder thereof, at any time prior to Maturity, unless earlier repurchased, any portion of the principal amount of any Note that is an integral multiple of \$1,000 (provided that the principal amount of such security to remain outstanding after such conversion is equal to \$2,000 or any integral multiple of \$1,000 in excess thereof) may be converted into fully paid and non-assessable shares of Common Stock at the Conversion Rate, determined as hereinafter provided, in effect at the time of conversion.

(b) If any Holder has submitted Notes for repurchase upon a Fundamental Change in accordance with Section 3.7 hereof, such Notes submitted for repurchase may be converted only if such Holder withdraws the election for repurchase in accordance with Section 3.7(g) hereof.

(c) Each \$1,000 principal amount of notes converted into shares of Common Stock shall initially will be converted at a Conversion Price of \$38.1455 per share. The rate at which shares of Common Stock shall be delivered upon conversion (herein called the “Conversion Rate”) shall be initially 26.2154 shares of Common Stock for each \$1,000 principal amount of Notes. The Conversion Rate will be adjusted under the circumstances provided in Section 6.5. All calculations under this Article shall be made to the nearest 1/10th cent or to the nearest 1/10,000ths of a share, as the case may be.

SECTION 6.2. Conversion Consideration.

(a) Upon surrendering any Notes for conversion, the Holder of such Notes shall receive, in respect of each \$1,000 principal amount of Notes, a number of shares of Common Stock equal to the Applicable Conversion Rate.

(b) When a Holder receives Common Stock upon conversion of Notes, such Holder will also receive the associated rights under the Company's stockholder rights plan adopted in 1997 related to its Series A Junior Participating Preferred Stock Purchase Rights and any stockholder rights plan that the Company may subsequently adopt, whether or not the rights have separated from the Common Stock at the time of conversion unless, prior to conversion, the rights have expired, terminated or been exchanged.

SECTION 6.3. Exercise of Conversion Right.

(a) In order to exercise the conversion right:

(1) the Holder of any Definitive Note to be converted must: (i) complete and manually sign a notice of conversion substantially in the form of Exhibit B hereto (the "Conversion Notice"); (ii) deliver the Conversion Notice and the Definitive Note to the Conversion Agent; and (iii) if required by the Company, the Trustee or the Conversion Agent, furnish appropriate endorsements and transfer documents; or

(2) the holder of beneficial interests in any Global Note to be converted must comply with the Applicable Procedures to cause the beneficial interests in such Global Note to be delivered to the Conversion Agent,

and in either case, the Holder of a Definitive Note or holder of beneficial interests in a Global Note will, if required, pay all transfer or similar taxes that the Company is not otherwise required to pay pursuant to Section 3.6 hereof and, if required pursuant to Section 6.3(b) hereof, pay funds equal to the interest payable on the next Interest Payment Date.

The date on which a Holder of a Definitive Note or holder of a beneficial interest in a Global Note completes the requirements of this Section 6.3(a) shall be deemed to be the date of conversion (the "Conversion Date") for purposes of this Article VI. On and after the Conversion Date, the conversion by such Holder or holder, as set forth in the Conversion Notice, shall become irrevocable.

The Company shall deliver shares of Common Stock (and any cash in lieu of fractional shares) deliverable upon conversion to the Conversion Agent no later than the third Business Day following the Conversion Date.

(b) Each Definitive Note surrendered (in whole or in part), or beneficial interest in any Global Note surrendered to the Conversion Agent, for conversion during a Record Date Period shall be accompanied by payment by the Holder in same-day funds or other funds acceptable to the Company of an amount equal to the interest payable on the applicable Interest Payment Date on the principal amount of such Note (or part thereof, as the case may be) being surrendered for conversion; provided, however, that no such payment by the Holder need be made in the case of any Note or portion thereof that has been delivered for repurchase following a Fundamental Change on a Fundamental Change Repurchase Date.

The interest payable by the Company on such Interest Payment Date with respect to any Note (or portion thereof, if applicable) that is surrendered for conversion during a Record Date Period shall be paid to the Holder of such Note as of such Regular Record Date in an amount equal to the interest that would have been payable on such Note if such Note had been converted as of the close of business on the applicable Interest Payment Date.

Except as provided in this Section 6.3(b), no cash payment or adjustment shall be made upon any conversion on account of any interest accrued from the Interest Payment Date immediately prior to the Conversion Date, in respect of any Note (or part thereof, as the case may be) surrendered for conversion, or on account of any dividends on the Common Stock issued upon conversion. The Company's delivery to the Holder of the number of shares of Common Stock (and cash in lieu of fractions thereof in accordance with Section 6.4 hereof) into which a Note is convertible will be deemed to satisfy all of the Company's obligations to pay the principal of and interest, if any, on the Note. Accordingly, accrued but unpaid interest, if any, will be deemed to be paid in full rather than canceled, extinguished or forfeited.

(c) Notes shall be deemed to have been converted immediately prior to the close of business on the Conversion Date, and at such time the rights of the Holders of such Notes as Holders shall cease, and the Person or Persons entitled to receive the shares of Common Stock issuable upon conversion shall be treated for all purposes as the record holder or holders of such Common Stock at such time. Following any Conversion Date, the Company shall satisfy its obligations with respect to such conversion by either:

(1) delivering to the Trustee, for delivery to the Holder (or such other Person as may be named in the relevant Conversion Notice), certificates representing the number of shares of Common Stock issuable upon such conversion; or

(2) delivering to such Holder (or such other Person as may be named in the relevant Conversion Notice) such number of shares of Common Stock issuable upon such conversion in accordance with the Applicable Procedures,

in each case, together with payment in lieu of any fractional shares, if any, as provided in Section 6.4 (such delivery of shares and cash payment, if any, the "Settlement"); provided that shares of Common Stock only will be deliverable in certificated form if (i) the Holder exercising such conversion has specifically requested in writing that delivery be in certificates or (ii) the Company determines that delivery is required in certificated shares either because (A) delivery to the Holder (or such other Person named in the relevant Conversion Notice) is not practicable in accordance with the Applicable Procedures or (B) in the opinion of legal counsel, delivery is required in certificated form in order to comply with the requirements of applicable securities laws. Settlement shall occur promptly (but in no event more than three Business Days) following the Conversion Date.

(d) In the case of any Note that is converted in part only, upon such conversion the Company shall execute and the Trustee shall authenticate and deliver to the Holder thereof, at the expense of the Company, a new Note or Notes of authorized denominations in an aggregate principal amount equal to the unconverted portion of the principal amount of such Note.

SECTION 6.4. Fractions of Shares.

No fractional shares of Common Stock shall be issued upon conversion of any Note or Notes. If more than one Note shall be surrendered for conversion at one time by the same Holder, the number of full shares that shall be issuable upon conversion thereof shall be computed on the basis of the aggregate principal amount of the Notes (or specified portions thereof) so surrendered. The number of fractional shares to be paid, if any, will be valued by the Closing Sale Price of the Common Stock on the Trading Day immediately preceding the Conversion Date. Instead of any fractional share of Common Stock that would otherwise be issuable upon conversion of any Note or Notes (or specified portions thereof), the Company shall calculate and pay a cash adjustment for the fractional amount (calculated to the nearest 1/10,000th of a share) based upon the Closing Sale Price on the Trading Day immediately preceding the Conversion Date.

SECTION 6.5. Adjustment of Conversion Rate.

(a) The Conversion Rate shall be subject to adjustment, without duplication, from time to time upon the occurrence of any of the following:

(1) Stock Dividends in Common Stock.

In case the Company shall pay or make a dividend or other distribution on shares of Common Stock payable exclusively in shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such dividend or other distribution shall be increased by dividing such Conversion Rate by an adjustment factor equal to a fraction of which the numerator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination and the denominator shall be the sum of such number of shares and the total number of shares constituting such dividend or other distribution, such increase to become effective immediately after the opening of business on the day following the date fixed for such determination. If, after any such date fixed for determination, any dividend or distribution is not in fact paid, the Conversion Rate shall be immediately readjusted, effective as of the date the Company's Board of Directors determines not to pay such dividend or distribution, to the Conversion Rate that would have been in effect if such determination date had not been fixed. For the purposes of this clause (1), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company. The Company will not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company.

(2) Issuance of Rights or Warrants.

In case the Company shall issue rights or warrants to all or substantially all holders of its Common Stock entitling them for a period expiring within 60 days from the date of issuance of the rights or warrants to subscribe for or purchase shares of Common Stock at a price per share less than the Current Market Price per share of Common Stock on the date fixed for the determination of stockholders entitled to receive such rights or warrants (other than any rights or warrants that (x) by their terms will also be issued to any Holder upon conversion of a Note into shares of Common Stock without any action required by the Company or any other Person or (y) are distributed to shareholders of the Company upon a merger or consolidation in compliance with Section 6.8 hereof and taking into consideration in determining the price per share any consideration received by the Company for such rights or warrants and any amount payable on exercise or conversion thereof, with the value of such consideration, if other than cash, to be determined by the Company), then the Conversion Rate in effect at the opening of business on the day following the date fixed for such determination shall be increased by dividing such Conversion Rate by an adjustment factor equal to a fraction:

(A) the numerator of which shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock that the aggregate of the offering price of the total number of shares of Common Stock so offered for subscription or purchase would purchase at such Current Market Price; and

(B) the denominator of which shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock so offered for subscription or purchase,

such increase to become effective immediately after the opening of business on the day following the date fixed for such determination. If, after any such date fixed for determination, any such rights or warrants are not in fact issued, or are not exercised prior to the expiration thereof, the Conversion Rate shall be immediately readjusted, effective as of the date such rights or warrants expire, or the date the Company's Board of Directors determines not to issue such rights or warrants, to the Conversion Rate that would have been in effect if the unexercised rights or warrants had never been granted or such determination date had not been fixed, as the case may be, and as a result no additional shares are delivered or issued pursuant to such rights or warrants. For the purposes of this clause (2), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company. The Company will not issue any rights or warrants in respect of shares of Common Stock held in the treasury of the Company.

(3) Stock Splits and Combinations. (i) In case outstanding shares of Common Stock shall be subdivided or split into a greater number of shares of Common Stock, then the Conversion Rate in effect at the opening of business on the day following the day upon which such subdivision or split becomes effective shall be proportionately increased; (ii) in case outstanding shares of Common Stock shall be combined or reclassified into a smaller number of shares of Common Stock, then the Conversion Rate in effect at the opening of business on the day following the day upon which such combination or reclassification becomes effective shall be proportionately reduced; and (iii) in case the Company issues any shares of its Capital Stock in a reclassification of the outstanding shares of Common Stock, then the Conversion Rate in effect at the opening of business on the day following the day upon which such reclassification becomes effective shall be proportionately applied to the new class of shares of Capital Stock of the Company into which the Common Stock was reclassified; in each case, such increase, reduction or reclassification, as the case may be, to become effective immediately after the opening of business on the Business Day following the day upon which such subdivision, combination or reclassification becomes effective.

(4) Distribution of Indebtedness, Securities or Assets. In case the Company shall, by dividend or otherwise, distribute to all or substantially all holders of its Common Stock evidences of its indebtedness, securities, assets or rights, options or warrants to purchase the Company's securities (provided that if these rights are only exercisable upon the occurrence of specified triggering events, then the Conversion Rate will not be adjusted until the triggering events occur), but excluding (i) any dividends or distributions referred to in clause (1) of this Section 6.5(a), (ii) any rights or warrants referred to in clause (2) of this Section 6.5(a), (iii) any dividends or distributions paid exclusively in cash described in clause (6), (7) or (8) of this Section 6.5(a) (the "Distributed Assets"), then (other than in the case as described in clause (5) of this Section 6.5(a)) the Conversion Rate shall be adjusted so that the same shall equal the rate determined by multiplying the Conversion Rate in effect immediately prior to the close of business on the record date fixed for the determination of stockholders entitled to receive such distribution by an adjustment factor equal to a fraction:

(A) the numerator of which shall be the Current Market Price per share of Common Stock; and

(B) the denominator of which shall be the Current Market Price per share of Common Stock on the date fixed for such determination minus the Fair Market Value, as determined by the Company's Board of Directors, whose determination in good faith shall be conclusive and described in a Board Resolution delivered to the Trustee and certified by the Secretary or an Assistant Secretary of the Company, of the portion of those Distributed Assets applicable to one share of Common Stock, such adjustment to become effective immediately after the record date fixed for the determination of stockholders entitled to receive such distribution.

If after any such date fixed for determination, any such distribution is not in fact made, the Conversion Rate shall be immediately readjusted, effective as of the date the Company's Board of Directors determines not to make such distribution, to the Conversion Rate that would have been in effect if such determination date had not been fixed.

Notwithstanding the foregoing, in cases where (i) the Fair Market Value per share of the Distributed Assets equals or exceeds the Current Market Price of the Common Stock, or (ii) the Current Market Price of the Common Stock exceeds the Fair Market Value per share of the Distributed Assets by less than \$1.00, in lieu of the adjustment set forth in this Section 6.5(a)(4), Holders will receive upon conversion, in addition to shares of Common Stock, if any, the amount and type of Distributed Assets such Holders would have received upon conversion of such Holders' Notes if they had been converted immediately prior to the record date for such distribution.

(5) Spin-Offs. In case the Company shall distribute to all or substantially all holders of its Common Stock shares of Capital Stock of any class or series, or similar Equity Interests, of or relating to a Subsidiary or other business unit, which Capital Stock is or Equity Interests are traded on the NYSE or another U.S. national securities exchange or quoted on NASDAQ or another established automated over-the-counter trading market in the United States (a “Spin-off”), then the Conversion Rate shall be adjusted so that the same shall equal the rate determined by multiplying the Conversion Rate in effect immediately prior to the close of business on the record date fixed for the determination of stockholders entitled to receive such distribution by an adjustment factor equal to the sum of the Daily Adjustments for each of the 10 consecutive Trading Days beginning on the effective date of the Spin-off, such adjustment to become effective on the 10th Trading Day from, and including, the effective date of the Spin-off.

(6) Cash Distributions. In case the Company shall, by dividend or otherwise, distribute to all or substantially all holders of outstanding shares of Common Stock distributions consisting exclusively of cash, then the Conversion Rate shall be adjusted so that the same shall equal the rate determined by multiplying the Conversion Rate in effect immediately prior to the close of business on the date fixed for determination of the stockholders entitled to receive such distribution by an adjustment factor equal to a fraction:

(A) the numerator of which shall be equal to the Current Market Price per share of Common Stock on the date fixed for such determination; and

(B) the denominator of which shall be equal to the Current Market Price per share of Common Stock on such date fixed for determination minus the amount per share of such distribution, such adjustment to become effective immediately after the record date fixed for the determination of stockholders entitled to receive such distribution.

Notwithstanding the foregoing, in cases where (i) the per share amount of such distribution equals or exceeds the Current Market Price of the Common Stock, or (ii) the Current Market Price of the Common Stock exceeds the per share amount of such distribution by less than \$1.00, in lieu of the adjustment set forth in this Section 6.5(a)(6), Holders will receive upon conversion, in addition to shares of Common Stock, if any, such distribution such Holders would have received upon conversion of such Holders’ Notes if they had been converted immediately prior to the record date for such distribution.

(7) Tender or Exchange Offers. In case the Company or any Subsidiary shall make a payment in respect of a tender offer or exchange offer for any portion of the Common Stock, in which event, to the extent the cash and value of any other consideration included in the payment per share of Common Stock exceeds the Closing Sale Price of the Common Stock on the Trading Day immediately following the last date on which tenders or exchanges may be made pursuant to such tender offer or exchange offer (the “Expiration Date”), as the case may be, then the Conversion Rate shall be adjusted so that the same shall equal the rate determined by multiplying the Conversion Rate immediately prior to close of business on the Expiration Date by an adjustment factor equal to a fraction:

(A) the numerator of which shall be equal to the sum of (a) the Fair Market Value, as determined by the Board of Directors of the Company, whose determination in good faith shall be conclusive and described in a Board Resolution delivered to the Trustee and certified by the Secretary of the Company of the aggregate consideration payable for all shares of Common Stock purchased by the Company in the tender or exchange offer and (b) the product of (i) the number of shares of Common Stock outstanding less any such purchased shares and (ii) the Closing Sale Price of the Common Stock on the Trading Day immediately following the Expiration Date; and

(B) the denominator of which shall be equal to the product of (a) the number of shares of Common Stock outstanding, including any such purchased shares, and (b) the Closing Sale Price of the Common Stock on the Trading Day immediately following the Expiration Date.

The adjustment pursuant to this clause (7) will become effective immediately after the opening of business on the second Trading Day immediately following the Expiration Date.

(8) Repurchases. In case the Company or any of its Subsidiaries shall make a payment in respect of a repurchase of Common Stock the consideration for which exceeds the average of the Closing Sale Prices of the Common Stock for the five consecutive Trading Days ending on the relevant repurchase date (such amount, the “Repurchase Premium”), and that repurchase, together with any other repurchases of Common Stock by the Company or any of its Subsidiaries involving a Repurchase Premium concluded within the preceding 12 months not triggering an adjustment to the Conversion Rate, results in the payment by the Company of an aggregate consideration exceeding an amount equal to 10% of the Market Capitalization of the Common Stock, then the Conversion Rate shall be adjusted so that the same shall equal the rate determined by multiplying the Conversion Rate immediately prior to the close of business on the date fixed for determination of the stockholders entitled to receive such distribution by an adjustment factor equal to a fraction:

(A) the numerator of which shall be equal to the Current Market Price of the Common Stock; and

(B) the denominator of which shall be equal to (a) the Current Market Price of the Common Stock minus (b) the quotient of (i) the aggregate amount of all the Repurchase Premiums paid in connection with such repurchases and (ii) the number of shares of Common Stock outstanding on the day immediately following the date of the repurchase triggering the adjustment, as determined by the Board of Directors of the Company;

provided that no adjustment to the Conversion Rate shall be made to the extent the Conversion Rate is not increased as a result of the above calculation; and provided, further, that the repurchases of Common Stock effected by the Company or its agent in conformity with Rule 10b-18 under the Exchange Act will not be included in any adjustment to the Conversion Rate made pursuant to this Section 6.5(a)(8).

If a payment by the Company shall cause an adjustment to the Conversion Rate under both clause (7) and clause (8) of this Section 6.5(a), the provisions of Section 6.5(a)(8) shall control.

(b) No Adjustment. For the avoidance of doubt, no adjustment in the Conversion Rate shall be required:

(1) upon the issuance of (A) any shares of Common Stock or (B) options, warrants or other rights to acquire Common Stock (including the issuance of Common Stock pursuant to such options, warrants or other rights), in any transaction resulting in an exchange for Fair Market Value, including in connection with a reduction of indebtedness or liabilities of the Company or its Subsidiaries including, without limitation, upon the conversion of convertible securities of the Company outstanding on the date the Notes were issued or pursuant to settlements with respect to claims related to any governmental or private litigation, dispute, investigation, proceeding or other similar action;

(2) upon the issuance of any shares of Common Stock pursuant to any present or future plan or similar arrangement providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any such plan or arrangement;

(3) upon the issuance of any shares of Common Stock or options or rights to purchase such shares pursuant to any present or future employee, director or consultant benefit plan or program or similar arrangement of, or assumed by, the Company or any of its Subsidiaries;

(4) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in clause (3) of this Section 6.5(b) and outstanding as of the date the Notes were first issued;

(5) for a change in the par value of the Common Stock; or

(6) for accrued and unpaid interest, if any.

In addition, the Company will not be required to make an adjustment in the Conversion Rate unless the adjustment would require a change of at least 1% in the Conversion Rate. The Company shall carry forward any adjustment that is less than 1% of the Conversion Rate, take such carried-forward adjustments into account in any subsequent adjustments, and make such carried-forward adjustments, regardless of whether the aggregate adjustment is less than 1%, (a) annually on the anniversary of the first date of issue of the Notes and (b) otherwise (1) five Business Days prior to the Stated Maturity of the Notes or (2) prior to any Fundamental Change Repurchase Date, unless such adjustment has already been made.

No adjustment will be made to the Conversion Rate or a Holder's ability to convert the Notes if such Holder otherwise participates in a distribution without conversion.

(c) Increase in Conversion Rate due to Taxes. The Company may make such increases in the Conversion Rate, for the remaining term of the Notes or any shorter term, in addition to those required by clause (a) of this Section 6.5, as the Board of Directors of the Company considers to be advisable in order to avoid or diminish any income tax to any holders of shares of Common Stock or rights to purchase Common Stock resulting from any dividend or distribution of stock or issuance of rights or warrants to purchase or subscribe for stock or from any event treated as such for income tax purposes. The Company shall have the power to resolve any ambiguity or correct any error in this clause (c) and its actions in so doing shall, absent manifest error, be final and conclusive.

(d) **Temporary Increase in Conversion Rate.** To the extent permitted by applicable law, the Company from time to time may increase the Conversion Rate by any amount for any period of time if the period is at least twenty (20) Business Days, the increase is irrevocable during such period, and the Company's Board of Directors shall have made a determination that such increase would be in the best interests of the Company, which determination shall be conclusive; provided, however, that no such increase shall be taken into account for purposes of determining whether the closing price of the Common Stock equals or exceeds 105% of the Conversion Price in connection with an event which would otherwise be a Fundamental Change. Whenever the Conversion Rate is increased pursuant to the preceding sentence, the Company shall give notice of the increase to the Holders in the manner provided in Section 11.2, with a copy to the Trustee and Conversion Agent, at least fifteen (15) days prior to the date the increased Conversion Rate takes effect, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

(e) **Fundamental Change Make-Whole Adjustment.** In case of a Fundamental Change as specified in clauses (2), (3) or (4) of the definition thereof, solely upon receipt by the Conversion Agent of any Holder's Conversion Notice on or after the Effective Date of the Fundamental Change and prior to the 45th day following such Effective Date (or, if earlier and to the extent applicable, the close of business on the second Business Day immediately preceding the Fundamental Change Repurchase Date (as specified in the Fundamental Change Repurchase Right Notice)), the Company shall increase the Conversion Rate for the Notes surrendered for conversion by such Holder by the number of Additional Shares determined in accordance with this Section 6.5(e); provided, however, that no increase shall be made in the case of a Fundamental Change if at least 90% of the consideration paid for the Common Stock (excluding cash payments for fractional shares and cash payments made pursuant to dissenters' appraisal rights) in such Fundamental Change transaction consists of shares of Capital Stock traded on NYSE or another U.S. national securities exchange or quoted on NASDAQ or another established automated over-the-counter trading market in the United States (or that will be so traded or quoted immediately following the transaction) and as a result of such transaction or transactions the Notes become convertible solely into such common stock. The number of Additional Shares will be determined by reference to the table below.

The following table sets forth the number of Additional Shares issuable per \$1,000 initial principal amount of Notes as a result of a Fundamental Change that occurs in the corresponding period:

The Stock Prices and Additional Share amounts set forth above are based upon an initial Conversion Price of \$38.1455. The Stock Prices set forth in the first row of the table above shall be adjusted as of any date on which the Conversion Rate of the Notes is adjusted in accordance with Section 6.5 hereof. The adjusted Stock Prices shall equal the Stock Prices applicable immediately prior to such adjustment, multiplied by an adjustment factor equal to a fraction, the numerator of which is the Conversion Rate immediately prior to the adjustment giving rise to the Stock Price adjustment and the denominator of which is the Conversion Rate as so adjusted. The number of Additional Shares shall be adjusted in the same manner and for the same events as the Conversion Rate as set forth in Section 6.5 hereof.

The exact Stock Price and Conversion Dates may not be set forth on the table; in which case, if:

(A) the Stock Price is between two Stock Price amounts on the table or the Conversion Date is between two dates on the table, the number of Additional Shares will be determined by straight-line interpolation between the number of Additional Shares set forth for the higher and lower stock price amounts and the two dates, as applicable, based on a 365-day year;

(B) the Stock Price is more than \$125.00 per share (subject to adjustment), no further adjustment will be made to the Conversion Rate as a result of the Fundamental Change; and

(C) the Stock Price is less than \$33.17 per share (subject to adjustment), no further adjustment will be made to the Conversion Rate as a result of the Fundamental Change.

Notwithstanding the foregoing, in no event shall the total number of shares of Common Stock issuable upon conversion of a Note exceed 30.1477 per \$1,000 initial principal amount of the Notes, subject to proportional adjustment in the same manner as the Conversion Rate as set forth in Section 6.5(a) hereof.

SECTION 6.6. Notice of Adjustments of Conversion Rate.

Whenever the Conversion Rate is adjusted pursuant to Section 6.5 hereof:

(a) the Company shall compute the adjusted Conversion Rate in accordance with Section 6.5 hereof and shall prepare an Officer's Certificate setting forth (1) the adjusted Conversion Rate, (2) the clause of Section 6.5 pursuant to which such adjustment has been made, showing in reasonable detail the facts upon which such adjustment is based, (3) the calculation of such adjustment and (4) the date as of which such adjustment is effective, and such certificate shall promptly be delivered to the Trustee and each Conversion Agent (which such certificates shall be conclusive absent manifest error); and

(b) upon each such adjustment, a notice stating that the Conversion Rate has been adjusted and setting forth the adjusted Conversion Rate shall be required, and as soon as practicable after it is required, such notice shall be provided by the Company to all Holders in accordance with Section 11.2.

Neither the Trustee nor any Conversion Agent shall be under any duty or responsibility with respect to any such certificate or the information and calculations contained therein, except to exhibit the same to any Holder of Notes desiring inspection thereof at its office during normal business hours.

SECTION 6.7. Cancellation of Converted Notes.

All Definitive Notes delivered for conversion shall be delivered to the Conversion Agent or its agent to be canceled by or at the direction of the Trustee, which shall dispose of the same as provided in this Indenture. Upon conversions of beneficial interests in any Global Note, the Trustee or the Notes Custodian, at the direction of the Trustee, shall reduce the aggregate principal amount of outstanding Notes represented by such Global Note to reflect the conversion pursuant to Section 2.1(b).

SECTION 6.8. Provision in Case of Consolidation, Merger or Sale of Assets.

In the case of any consolidation or merger of the Company with or into any other Person, any merger of another Person with or into the Company (other than a merger that does not result in any reclassification, conversion, exchange or cancellation of outstanding shares of Common Stock of the Company) or any conveyance, sale or transfer of all or substantially all of the assets of the Company, the Person formed by such consolidation or resulting from such merger or which acquires such assets, as the case may be, shall execute and deliver to the Trustee a supplemental indenture providing that the Holder of each Note then outstanding shall have the right thereafter, during the period such Note shall be convertible as specified in Section 6.1 to convert such Note only into the kind and amount of securities, cash and other property receivable upon such consolidation, merger, conveyance, sale or transfer by a holder of the number of shares of Common Stock of the Company into which such Note might have been converted immediately prior to such consolidation, merger, conveyance, sale or transfer. For purposes of this Section 6.8, the kind and amount of consideration that a Holder would have been entitled to receive as a Holder of the Common Stock in the case of reclassifications, consolidations, mergers, sales or transfers of assets or other transactions that cause the Common Stock to be converted into the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election) will be deemed to be the weighted average of the kind and amount of consideration received by the Holders of the Common Stock that affirmatively make such an election. The above provisions of this Section 6.8 shall similarly apply to successive consolidations, mergers, conveyances, sales, transfers or leases. Notice of the execution of such a supplemental indenture shall be given by the Company to the Holder of each Note as provided in Section 11.2 promptly upon such execution.

Neither the Trustee nor any Conversion Agent shall be under any responsibility to determine the correctness of any provisions contained in any such supplemental indenture relating either to the kind or amount of shares of stock or other securities or property or cash receivable by Holders of Notes upon the conversion of their Notes after any such consolidation, merger, conveyance, transfer, sale or lease or to any such adjustment, but may accept as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, an Officers' Certificate and an Opinion of Counsel with respect thereto, which the Company shall cause to be furnished to the Trustee.

SECTION 6.9. Rights Issued in Respect of Common Stock.

Rights or warrants distributed by the Company to all holders of Common Stock entitling the holders thereof to subscribe for or purchase shares of the Company's Capital Stock (either initially or under certain circumstances), which rights or warrants, until the occurrence of a specified event or events ("Trigger Event"):

- (1) are deemed to be transferred with such shares of Common Stock;
- (2) are not exercisable; and
- (3) are also issued in respect of future issuances of Common Stock,

shall not be deemed distributed for purposes of Section 6.5(a) until the occurrence of the earliest Trigger Event. In addition, in the event of any distribution of rights or warrants, or any Trigger Event with respect thereto, that shall have resulted in an adjustment to the Conversion Rate under Section 6.5(a), (A) in the case of any such rights or warrants that shall all have been redeemed or repurchased without exercise by any holders thereof, the Conversion Rate shall be readjusted upon such final redemption or repurchase to give effect to such distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or repurchase price received by a holder of Common Stock with respect to such rights or warrants (assuming such holder had retained such rights or warrants), made to all holders of Common Stock as of the date of such redemption or repurchase, and (B) in the case of any such rights or warrants all of which shall have expired without exercise by any holder thereof, the Conversion Price shall be readjusted as if such issuance had not occurred.

SECTION 6.10. Responsibility of Trustee and Conversion Agent for Conversion Provisions.

The Trustee and any Conversion Agent shall not at any time be under any duty or responsibility to any Holder of Notes to determine whether any facts exist which may require any adjustment of the Conversion Rate, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed, herein or in any supplemental indenture provided to be employed, in making the same, or whether a supplemental indenture need be entered into. Neither the Trustee nor any Conversion Agent shall be accountable with respect to the validity or value (or the kind or amount) of any Common Stock, or of any other securities or property or cash, which may at any time be issued or delivered upon the conversion of any Note; and it or they do not make any representation with respect thereto. Neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to make or calculate any cash payment or to issue, transfer or deliver any shares of Common Stock or share certificates or other securities or property or cash upon the surrender of any Note for the purpose of conversion; and the Trustee and any Conversion Agent shall not be responsible for any failure of the Company to comply with any of the covenants of the Company contained in this Article VI.

ARTICLE VII
DEFAULTS AND REMEDIES

SECTION 7.1. Events of Default.

Each of the following is an “Event of Default”:

- (1) a default in the payment of any installment of interest upon any of the Notes as and when the same shall become due and payable, and continuance of such default for a period of 30 days;
- (2) a default in the payment of all or any part of the principal of any of the Notes as and when the same shall become due and payable at Maturity;
- (3) a default on the part of the Company in the performance, or breach by the Company, of any other covenant or agreement on the part of the Company set forth in, or deemed to be incorporated by reference to the Trust Indenture Act into, the Notes or in this Indenture (other than a covenant or agreement in respect of which a default or breach by the Company is specifically dealt with in this Section 7.1), and continuance of such default or breach without cure or waiver for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee, or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Notes at the time Outstanding, a written notice specifying such failure and requiring the same to be remedied;
- (4) the Company fails to pay the purchase price of any Note when due (including, without limitation, on any Fundamental Change Repurchase Date);
- (5) the Company fails to deliver shares of Common Stock and any cash in lieu of fractional shares upon conversion of Notes within the time period required by this Indenture;
- (6) the Company fails to timely provide the Fundamental Change Repurchase Right Notice, if required by this Indenture, if such failure continues for 30 days after notice to the Company of its failure to do so;
- (7) any indebtedness for money borrowed by the Company or any of its Subsidiaries (all or substantially all of the outstanding voting securities of which are owned, directly, or indirectly, by the Company) in an aggregate outstanding principal amount in excess of \$25.0 million is not paid at final maturity or upon acceleration and such indebtedness is not discharged, or such acceleration is not cured or rescinded, within 10 days after written notice specifying such failure and requiring the same to be remedied;
- (8) a failure by the Company or any of its Subsidiaries (all or substantially all of the outstanding voting securities of which are owned, directly, or indirectly, by the Company) to pay final and non-appealable judgments entered by a court or courts of competent jurisdiction, the aggregate uninsured or unbonded portion of which is at least \$25.0 million, if the judgments are not paid, discharged or stayed within 60 days;

(9) the Company or any of its Subsidiaries pursuant to or within the meaning of Bankruptcy Law:

- (A) commences a voluntary case,
- (B) consents to the entry of an order for relief against it in an involuntary case,
- (C) consents to the appointment of a custodian of it or for all or substantially all of its property, or
- (D) makes a general assignment for the benefit of its creditors; and

(10) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (A) is for relief against the Company or any of its Subsidiaries in an involuntary case;
- (B) appoints a custodian of the Company or any of its Subsidiaries or for all or substantially all of the property of the Company or any of its Subsidiaries; or
- (C) orders the liquidation of the Company or any of its Subsidiaries

and the order or decree remains unstayed and in effect for 60 consecutive days.

Notwithstanding the foregoing, at the election of the Company, for the first 90 days after the occurrence of an Event of Default specified in Section 7.1(3) relating to any failure by the Company to comply with the requirements of Section 314(a)(1) of the TIA, the remedy for such an Event of Default shall consist exclusively of the right to receive an extension fee on the Notes at an annual rate equal to 0.25% of the principal amount of the Notes. In the event that the Company does not elect to pay the extension fee upon an Event of Default in accordance with this paragraph, the Notes will be subject to acceleration as provided herein. The extension fee will accrue on all outstanding Notes from and including the date on which an Event of Default relating to a failure to comply with the requirements of Section 314(a)(1) of the TIA first occurs up to but not including the 90th day thereafter (or such earlier date on which the Event of Default relating to such obligations shall have been cured or waived pursuant to Section 7.4). On such 90th day (or earlier, if such Event of Default is cured or waived pursuant to Section 7.4 prior to such 90th day), such extension fee will cease to accrue and shall become due and payable and, if such Event of Default has not been cured or waived pursuant to Section 7.4 prior to such 90th day, then the Trustee or the holders of not less than 25% in principal amount of the Notes may declare the principal of and accrued and unpaid interest on all such Notes to be due and payable immediately. This provision shall not affect the rights of Holders in the event of the occurrence of any other Event of Default. If the Company elects to pay the extension fee in accordance with this paragraph, the Company shall notify, in the manner provided for in Section 11.2, the Holders and the Trustee of such election at any time on or before the close of business on the date on which such Event of Default first occurs. If the extension fee is payable under this Section 7.1, the Company shall deliver to the Trustee an Officers' Certificate to that effect stating the date on which the extension fee is payable. Unless and until a Responsible Officer receives at the Corporate Trust Office such a certificate, the Trustee may assume without inquiry that no extension fee is payable. If the extension fee has been paid by the Company directly to the Persons entitled to such fee, the Company shall deliver to the Trustee an Officer's Certificate setting forth the particulars of such payment.

SECTION 7.2. Acceleration.

(1) In the case of an Event of Default specified in clause (9) or (10) of Section 7.1 hereof with respect to the Company, all outstanding Notes will become due and payable immediately without further action or notice by the Trustee or any Holder. Subject to Section 7.1, if any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Upon any such declaration, the Notes shall become due and payable immediately.

(2) Notwithstanding the foregoing, if an Event of Default specified in clause (7) of Section 7.1 occurs resulting in a declaration of acceleration of the Notes, such declaration of acceleration shall be automatically annulled if such Event of Default triggering such declaration of acceleration pursuant to clause (7) of Section 7.1 shall have been remedied or cured by the Company or any of its Subsidiaries or waived by the holders of the relevant indebtedness within 60 days of the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal or interest on the Notes that became due and payable solely because of the acceleration of the Notes, have been cured or waived.

(3) At any time after a declaration of acceleration with respect to the Notes as described in this Section 7.2, the Holders of a majority in aggregate principal amount of the outstanding Notes may rescind and cancel such declaration and its consequences: (i) if the rescission would not conflict with any judgment or decree of a court of competent jurisdiction; (ii) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration; (iii) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid; and (iv) if the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances (including, but not limited to, reasonable attorneys' fees and expenses). No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 7.3. Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 7.4. Waiver of Past Defaults.

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default and its consequences hereunder, except a continuing Default in:

(a) the payment of the principal of, or interest on, the Notes (including in connection with an offer to purchase); provided, however, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration, in accordance with Section 7.2;

(b) the conversion of any Note into shares of Common Stock in accordance with the provisions of such Note and this Indenture; or

(c) compliance with any of the provisions of this Indenture that would require the consent of the Holder of each outstanding Note affected thereby.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 7.5. Control by Majority.

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

SECTION 7.6. Limitation on Suits.

A Holder may pursue a remedy with respect to this Indenture or the Notes only if:

(a) such Holder gives to the Trustee written notice that an Event of Default is continuing;

(b) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy as Trustee;

(c) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and

(e) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 7.7. Rights of Holders of Notes To Receive Payment or Effect Conversion.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates or the right to convert Notes in accordance with Article VI of this Indenture, shall not be impaired or affected without the consent of such Holder.

SECTION 7.8. Collection Suit by Trustee.

If an Event of Default specified in Section 7.1(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company, and to enforce such judgment and collect the moneys adjudicated or decreed to be payable, for the whole amount of principal of and interest remaining unpaid on the Notes, interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 7.9. Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 8.7. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 8.7 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 7.10. Priorities.

If the Trustee collects any money pursuant to this Article VII, it shall pay out the money in the following order:

First: to the Trustee (or any predecessor Trustee), its agents and attorneys for amounts due under Section 8.7, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

Third: to the Company or such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 7.10. If a record date is fixed, the Trustee shall send, by first class mail, electronically or by any other means approved by the Trustee to the Holders of the Notes of record a notice at least 30 days but not more than 60 days before the payment date. Such notice shall state: (1) that a payment is being made pursuant to this Section 7.10, (2) the relevant Default and the circumstances giving rise to the collection of money pursuant to this Section 7.10, (3) the payment date and (4) the amount of such payment per \$1,000 of Notes.

SECTION 7.11. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 7.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 7.6 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE VIII

TRUSTEE

SECTION 8.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs; provided, to the extent permitted by the TIA, that if an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have provided the Trustee indemnity or security reasonably satisfactory to the Trustee against loss, liability or expense.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, directions, notices or opinions furnished to the Trustee and conforming to the requirements of the Indenture. However, in the case of any such certificates, directions, notices or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 7.5.

(d) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(e) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 8.1 and to the provisions of the TIA.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction.

SECTION 8.2. Rights of Trustee.

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any paper or document believed by it to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of such counsel appointed with due care with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or other paper or document; but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company at reasonable times, in a reasonable manner and upon reasonable advance notice, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall not be deemed to have knowledge of any Default or Event of Default except, (i) during any period it is serving as Registrar and Paying Agent for the Notes, any Event of Default occurring pursuant to Sections 7.1(1), 7.1(2), 7.1(4) or 7.1(5) or (ii) any Default or Event of Default of which a Responsible Officer shall have received written notification or obtained actual knowledge. The term "actual knowledge" shall mean the actual fact or statement of knowing by a Responsible Officer without independent investigation with respect thereto.

(h) Delivery of the reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

(i) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(j) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(k) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any Person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

SECTION 8.3. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Conversion Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 8.10 and 8.11. In addition, the Trustee shall be permitted to engage in transactions with the Company; provided, however, that if the Trustee acquires any conflicting interest (as such term is defined in Section 310(b) of the TIA) the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the Commission for permission to continue acting as Trustee or (iii) resign as Trustee hereunder.

SECTION 8.4. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the Notes or the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued or offering circular (or similar document) used in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication or for the use or application of any funds received by any Paying Agent other than the Trustee.

SECTION 8.5. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if a Responsible Officer has actual knowledge thereof, the Trustee shall mail to each Holder notice of the Default or Event of Default within 90 days after it occurs unless such Default or Event of Default has been cured or waived.

Except in the case of a Default or Event of Default in payment of principal of, or interest on any Note (including payments pursuant to the required repurchase provisions of such Note, if any), the Trustee may withhold the notice if and so long as its board of directors, a committee of its board of directors or a committee of its Responsible Officers and/or a Responsible Officer in good faith determines that withholding the notice is in the interests of registered Holders.

SECTION 8.6. Reports by Trustee to Holders. As promptly as practicable after each March 15 beginning with the March 15 following the date of this Indenture, and in any event prior to December 15 in each year, the Trustee shall mail to each Holder a brief report dated as of such March 15 that complies with TIA § 313(a), if and to the extent such report may be required by the TIA. The Trustee also shall comply with TIA § 313(b). The Trustee shall also transmit by mail all reports required by TIA § 313(c).

A copy of each report at the time of its mailing to Holders shall be filed with the Commission and each stock exchange (if any) on which the Notes are listed. The Company agrees to notify promptly the Trustee in writing whenever the Notes become listed on any stock exchange and of any delisting thereof

SECTION 8.7. Compensation and Indemnity. The Company covenants and agrees: (a) to pay to the Trustee from time to time, and the Trustee shall be entitled to such compensation for all services rendered by it hereunder as shall be agreed by the Company and the Trustee in writing (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust); (b) to reimburse the Trustee and each predecessor Trustee upon its request for all reasonable expenses, fees, disbursements and advances incurred or made by or on behalf of it in accordance with any of the provisions of this Indenture (including the reasonable compensation, fees, and the expenses and disbursements of its counsel and of all agents and other Persons not regularly in its employ), except any such expense, disbursement or advance as may arise from its negligence or bad faith; and (c) to indemnify the Trustee and each predecessor Trustee for, and to hold it harmless against, any loss, liability, damage, claim or expense, including taxes, if any (other than taxes based upon, determined by or measured by the income of the Trustee), incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder and its duties hereunder, including enforcement of this Section 8.7. The obligations of the Company under this Section to compensate and indemnify the Trustee and each predecessor Trustee and to pay or reimburse the Trustee and each predecessor Trustee for expenses, fees, disbursements and advances shall constitute an additional obligation hereunder and shall survive the satisfaction and discharge of this Indenture, the resignation or removal of the Trustee or the termination of this Indenture. To secure the obligations of the Company to the Trustee under this Section 8.7, the Trustee shall have a prior Lien upon all property and funds held or collected by the Trustee as such, except funds and property paid by the Company and held in trust for the benefit of the Holders of particular Notes. When the Trustee incurs expenses or renders services after an Event of Default specified in Section 7.1(9) or (10) occurs, such expenses and compensation for services are intended to constitute expenses of administration under the Bankruptcy Reform Act of 1978 or any successor statute.

SECTION 8.8. Replacement of Trustee. The Trustee may resign at any time by so notifying the Company. The Holders of a majority in principal amount of the Notes may remove the Trustee by so notifying the Company and the Trustee in writing and the Company may appoint a successor Trustee. The Company shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 8.10;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Company or by the Holders of a majority in principal amount of the Notes and the Company does not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Holders of a majority in aggregate principal amount of the Notes may appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, upon payment of any fees and expenses due and owing to it hereunder.

If the Company has not appointed a successor Trustee within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Notes may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 8.10, unless the Trustee's duty to resign is stayed as provided in TIA § 310(b), any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 8.8, the Company's obligations under Section 8.7 shall continue for the benefit of the retiring Trustee.

SECTION 8.9. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 8.10. Eligibility; Disqualification. There shall at all times be a Trustee hereunder which shall be eligible to act as Trustee under Trust Indenture Act Sections 310(a)(1) and (2) and which shall have a combined capital and surplus of at least \$100,000,000, and have a Corporate Trust Office in the Borough of Manhattan in The City of New York, State of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any federal, state, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect hereinafter specified in this Article. To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being Trustee under the Indenture dated as of April 10, 2006 between the Company and the Trustee.

SECTION 8.11. Preferential Collection of Claims Against Company. If and when the Trustee shall be or become a creditor of the Company, the Trustee shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated.

ARTICLE IX

SATISFACTION AND DISCHARGE OF INDENTURE; UNCLAIMED MONEYS

SECTION 9.1. Satisfaction and Discharge of Indenture. If at any time (a) the Company shall have paid or caused to be paid the principal of and interest on all the Notes outstanding (other than Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.7) as and when the same shall have become due and payable, or (b) the Company shall have delivered to the Trustee for cancellation all Notes theretofore authenticated (other than Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.7); and if, in any such case, the Company shall also pay or cause to be paid all other sums payable hereunder by the Company, then this Indenture shall cease to be of further effect, and the Trustee, on demand of the Company accompanied by an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the satisfaction and discharge contemplated by this provision have been complied with, and at the cost and expense of the Company, shall execute proper instruments acknowledging such satisfaction and discharging this Indenture. The Company agrees to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred, and to compensate the Trustee for any services thereafter reasonably and properly rendered, by the Trustee in connection with this Indenture or the Notes.

If at any time the exact amount described in clause (ii) below can be determined at the time of making the deposit referred to in such clause (ii), (i) all of the Notes not theretofore delivered to the Trustee for cancellation shall have become due and payable, or are by their terms to become due and payable within one year and (ii) (a) the Company shall have irrevocably deposited or caused to be deposited with the Trustee as funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of the Notes, cash in an amount or Government Securities, maturing as to principal and interest, if any, at such times and in such amounts as will insure the availability of cash or securities sufficient in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay the principal of and interest, if any, on all of the Notes on each date that such principal or interest, if any, is due and payable in accordance with the terms of this Indenture and the Notes, and (b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; then the Company shall be deemed to have paid and discharged the entire indebtedness on all the Notes on the date of the deposit referred to in this clause (ii), and the provisions of this Indenture with respect to the Notes shall no longer be in effect (except as to (i) rights of registration of transfer and exchange of Notes, (ii) substitution of mutilated, defaced, destroyed, lost or stolen Notes, (iii) rights of Holders of Notes to receive payments of principal thereof and interest, if any, thereon upon the original stated due dates therefor (but not upon acceleration), (iv) the rights, obligations, duties and immunities of the Trustee hereunder (including, but not limited to, those set forth in Section 8.7), (v) the rights of the Holders of Notes as beneficiaries hereof with respect to the property so deposited with the Trustee payable to all or any of them, (vi) rights of Holders of Notes to convert the Notes pursuant to Article VI and (vii) the obligations of the Company under Section 9.2 with respect to the Notes), and the Trustee, on demand of the Company accompanied by an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent contemplated by this provision have been complied with, and at the cost and expense of the Company, shall execute proper instruments acknowledging such satisfaction and discharging such Indebtedness.

SECTION 9.2. Application by Trustee of Funds Deposited for Payment of Notes. All moneys deposited with the Trustee or any Paying Agent shall be held in trust and applied by it to the payment, either directly or through any Paying Agent (other than the Company or any Subsidiary thereof), to the Holders of the Notes for the payment of which such moneys have been deposited with the Trustee, of all sums due and to become due thereon for principal and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

SECTION 9.3. Repayment of Moneys Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all moneys then held by any Paying Agent under the provisions of this Indenture with respect to the Notes shall, upon demand of the Company, be repaid to it and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

SECTION 9.4. Return of Moneys Held by Trustee and Paying Agent Unclaimed for Two Years. Any moneys deposited with or paid to the Trustee or any Paying Agent for the payment of the principal of or interest, if any, on the Notes and not applied but remaining unclaimed for two years after the date upon which such principal or interest, if any, shall have become due and payable, shall, upon the written request of the Company and unless otherwise required by mandatory provisions of applicable escheat or abandoned or unclaimed property law, be repaid to the Company by the Trustee or such Paying Agent, and the Holder of the Notes shall, unless otherwise required by mandatory provisions of applicable escheat or abandoned or unclaimed property laws, thereafter look only to the Company for any payment which such Holder may be entitled to collect, and all liability of the Trustee or any Paying Agent with respect to such moneys shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment with respect to moneys deposited with it for any payment in respect of the Notes, shall, at the expense of the Company, mail by first-class mail to Holders of the Notes at their addresses as they shall appear on the Note Register notice that such moneys remain and that, after a date specified therein, which shall not be less than 30 days from the date of such mailing or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 9.5. Indemnity for U.S. Government Obligations. The Company agrees to pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Government Securities deposited pursuant to Section 9.1 or the principal or interest received in respect of such obligations.

ARTICLE X

SUPPLEMENTAL INDENTURES AND AMENDMENTS

SECTION 10.1. Without Consent of Holders. Without the consent of any Holders, the Company, when authorized by a Board Resolution of the Company, and the Trustee, at any time and from time to time, may amend, waive, modify or supplement this Indenture or the Notes for any of the following purposes:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to provide for the assumption of the Company's obligations under this Indenture and the Notes in accordance with Article IV;
- (c) to secure the Notes or to provide guarantees of the Notes;
- (d) to comply with any requirements to effect or maintain the qualification of this Indenture under the TIA;
- (e) to add covenants that would benefit the Holders of the Notes or to surrender any rights of the Company under this Indenture;
- (f) to add Events of Default with respect to the Notes;
- (g) to make any change that does not adversely affect any outstanding Notes in any material respect;

- (h) to evidence and provide for the acceptance of the appointment of a successor Trustee hereunder; or
- (i) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the date hereof.

SECTION 10.2. With Consent of Holders. With the written consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes (including, without limitation, Additional Notes, if any) delivered to the Company and the Trustee, the Company when authorized by a Board Resolution, together with the Trustee, may amend, waive, modify or supplement any other provision of this Indenture or the Notes; provided, however, that no such amendment, waiver, modification or supplement may, without the written consent of the Holder of each Outstanding Note affected thereby:

- (a) modify the provisions with respect to a Holder's rights upon a Fundamental Change in a manner adverse to the Holders of the Notes, including the Company's obligations to repurchase the Notes following a Fundamental Change;
- (b) reduce the principal amount of or interest on Notes or change their Stated Maturity;
- (c) change the place or currency of payment of principal of or interest on any Note;
- (d) impair the Holder's right to institute suit for the enforcement of any payment on the Notes;
- (e) make any change in the percentage of principal amount of Notes necessary to waive compliance with provisions of this Indenture or to make any change to this Section 10.2 or Section 10.3 (other than to increase the percentage required for modification or waiver or to provide for consent of each affected Holder of Notes);
- (f) waive a Default or Event of Default in the payment of principal or interest on the Notes (except a rescission of acceleration of the Notes by the Holders thereof as provided in Section 7.2(3) of this Indenture and a waiver of the payment default that resulted from such acceleration);
- (g) adversely affect the rights of Holders under the conversion provisions of the Notes; or
- (h) modify the ranking or priority of any Note in any manner adverse to the Holders of the Notes.

Upon the written request of the Company accompanied by a copy of a Board Resolution authorizing the execution of any such supplemental indenture or other agreement, instrument or waiver, and upon the filing with the Trustee of evidence of the consent of Holders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture or other agreement, instrument or waiver.

It shall not be necessary for any act of Holders under this Section to approve the particular form of any proposed supplemental indenture or other agreement, instrument or waiver, but it shall be sufficient if such act shall approve the substance thereof.

SECTION 10.3. Execution of Supplemental Indentures, Agreements and Waivers. In executing, any supplemental indenture, agreement, instrument or waiver permitted by this Article X or the modifications thereby of the Indenture, the Trustee shall be entitled to receive, and (subject to Section 8.1 hereof) shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate from each obligor under the Notes entering into such supplemental indenture, agreement, instrument or waiver, each stating that the execution of such supplemental indenture, agreement, instrument or waiver (a) is authorized or permitted by this Indenture; (b) does not violate the provisions of any agreement or instrument evidencing any other Indebtedness of the Company, or any Subsidiary of the Company; and (c) that all conditions precedent in the Indenture relating to such Supplemental Indenture have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture, agreement, instrument or waiver which affects the Trustee's own rights, duties or immunities under this Indenture, the Notes or otherwise.

SECTION 10.4. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article X, this Indenture, the Notes, if applicable, shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture and the Notes, if applicable, as the case may be, for all purposes; and every Holder of Notes theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 10.5. Compliance with Trust Indenture Act. Every supplemental indenture or amendment to this Indenture or the Notes shall comply with the TIA as then in effect.

SECTION 10.6. Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in a form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Board of Directors of the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee, at the expense of the Company, upon a Company Order in exchange for Outstanding Notes.

SECTION 10.7. Revocation and Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver made pursuant to Section 10.2 shall become effective upon receipt by the Trustee of the requisite number of written consents.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall become valid or effective more than 120 days after such record date.

SECTION 10.8. Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee, at the expense of the Company, shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Also, subject to the foregoing, only Notes outstanding at the time shall be considered in any such determination.

[Back of Note]
0.875% Convertible Senior Notes due 2017

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) **Interest.** Ciena Corporation, a Delaware corporation (the “Company”), promises to pay interest on the principal amount of this Note at 0.875% per annum from June 11, 2007 until Maturity. The Company will pay interest, if any, semi-annually in arrears on June 15 and December 15 of each year (subject to limited exceptions if the Note is converted or purchased prior to such date), or if any such day is not a Business Day, on the immediately following Business Day (each, an “Interest Payment Date”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from June 11, 2007; provided that if there is no existing Default in the payment of interest, and if this Note is authenticated between a Record Date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; provided, further, that the first Interest Payment Date shall be December 15, 2007. The Company will pay interest on overdue principal from time to time on demand at the rate then in effect to the extent lawful; it will pay interest on overdue installments of interest, if any (without regard to any applicable grace periods), from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) **Method of payment.** The Company will pay interest on the Notes, if any, to the Persons who are registered Holders of Notes at the close of business on the December 1 or June 1 next preceding the Interest Payment Date (each a “Regular Record Date”), even if such Notes are canceled after such record date and on or before such Interest Payment Date. The Notes will be payable as to principal, if any, and interest at the office or agency of the Company maintained for such purpose within or without the City and State of New York, or, at the option of the Company, payment of interest, if any, may be made by check mailed to the Holders at their addresses set forth in the Note Register; provided that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, if any, on, all Global Notes and all other Notes with an aggregate principal amount in excess of \$2 million for which the Holders have provided wire transfer instructions at least 10 Business Days prior to the Interest Payment Date to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) **Paying agent, registrar and conversion agent.** Initially, The Bank of New York, the Trustee under the Indenture, will act as Paying Agent, Registrar and Conversion Agent. The Company may change any Paying Agent, Registrar or Conversion Agent without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

(4) **Indenture.** The Company issued the Notes under the Indenture dated as of June 11, 2007 (the “Indenture”) between the Company and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Company.

(5) **Optional redemption.** The Notes are not redeemable by the Company prior to Maturity.

(6) **Repurchase at the option of holder upon a fundamental change.** Upon the occurrence of a Fundamental Change at any time prior to Stated Maturity, each Holder may require the Company to repurchase the Notes on a date chosen by the Company in its sole discretion that is no less than 20 Business Days and no more than 35 Business Days after the mailing of the Fundamental Change Repurchase Right Notice (the “Fundamental Change Repurchase Date”), and the Company shall repurchase on the Fundamental Change Repurchase Date, any or all Notes submitted for repurchase for cash, at a price equal to 100% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but not including the Fundamental Change Repurchase Date, unless such Fundamental Change Repurchase Date falls after a Regular Record Date and on or prior to the corresponding Interest Payment Date, in which case the Company shall pay the full amount of accrued and unpaid interest payable on such Interest Payment Date to the Holder of record at the close of business on the corresponding Regular Record Date. At least 20 Business Days prior to the anticipated Effective Date of a Fundamental Change (or if the Company does not have actual notice of a Fundamental Change 20 Business Days prior to the Effective Date, as soon as the Company has actual notice of such Fundamental Change), the Company will provide to all Holders, the Trustee, the Paying Agent, the Registrar and the Conversion Agent a Fundamental Change Notice as required by the Indenture. On or before the 20th Trading Day after the Effective Date of a Fundamental Change, the Company will provide to all Holders, the Trustee, the Paying Agent, the Registrar and Conversion Agent a Fundamental Change Repurchase Right Notice.

(7) **Conversion.** At any time prior to Maturity, Holders of the Notes may surrender any portion of the principal amount of any Note that is an integral multiple of \$1,000 for conversion (provided that the principal amount of such Note to remain outstanding after such conversion is equal to \$2,000) into fully paid and non-assessable shares of Common Stock at the Conversion Rate, determined as provided in the Indenture, in effect at the time of conversion.

(8) **Denominations, transfer, exchange.** The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for conversion or repurchase, except for the unconverted or unreurchased portion of any Note being converted or repurchased in part. Also, the Company need not exchange or register the transfer of any Notes during the period between a Regular Record Date and the corresponding Interest Payment Date.

(9) **Persons deemed owners.** The registered Holder of a Note may be treated as its owner for all purposes.

(10) **Amendment, supplement and waiver.** Subject to certain exceptions, the Indenture and the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes, including Additional Notes, if any, and any existing Default or compliance with any provision of the Indenture and the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes, including Additional Notes, if any, voting as a single class. Without the consent of any Holder of a Note, the Indenture and the Notes may be amended or supplemented to cure any ambiguity, omission, defect or inconsistency, to provide for a successor Trustee under the Indenture, to provide for the assumption of the Company's obligations under the Indenture or the Notes in accordance with the provisions in the Indenture, to comply with requirements of the Commission in order to effect or maintain the qualification of the Indenture under the TIA, to secure the Notes or provide guarantees of the Notes, to provide for the issuance of Additional Notes, to add covenants that would benefit the Holders of the Notes or to surrender any rights of the Company under the Indenture, to add Events of Default with respect to the Notes, to make any change that does not adversely affect any outstanding Notes in any material respect, or to evidence and provide for the acceptance of the appointment of a successor Trustee under the Indenture.

(11) **Events of default.** Each of the following is an "Event of Default":

(1) a default in the payment of any installment of interest upon any Note as and when the same shall become due and payable, and continuance of such default for a period of 30 days;

(2) default in the payment of all or any part of the principal of any Note as and when the same shall become due and payable at Maturity;

(3) default on the part of the Company in the performance, or breach by the Company, of any other covenant or agreement on the part of the Company set forth in, or deemed to be incorporated by reference to the Trust Indenture Act into, this Note or in the Indenture (other than a covenant or agreement in respect of which a default or breach by the Company is specifically dealt with in Section 7.1 of the Indenture), and continuance of such default or breach without cure or waiver for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee, or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Notes at the time Outstanding, a written notice specifying such failure and requiring the same to be remedied;

(4) the Company fails to pay the purchase price of any Note when due (including, without limitation, on any Fundamental Change Repurchase Date) within the time period required by the Indenture;

(5) The Company fails to deliver shares of Common Stock and any cash in lieu of fractional shares upon conversion of this Note within the time period required by the Indenture;

(6) the Company fails to provide a timely Fundamental Change Repurchase Right Notice, if required by the Indenture, if such failure continues for 30 days after notice to the Company of its failure to do so;

(7) any indebtedness for money borrowed by the Company or any of its Subsidiaries (all or substantially all of the outstanding voting securities of which are owned, directly, or indirectly, by the Company) in an aggregate outstanding principal amount in excess of \$25.0 million is not paid at final maturity or upon acceleration and such indebtedness is not discharged, or such acceleration is not cured or rescinded, within 10 days after written notice specifying such failure and requiring the same to be remedied;

(8) failure by the Company or any of its Subsidiaries (all or substantially all of the outstanding voting securities of which are owned, directly, or indirectly, by the Company) to pay final and non-appealable judgments entered by a court or courts of competent jurisdiction, the aggregate uninsured or unbonded portion of which is at least \$25.0 million, if the judgments are not paid, discharged or stayed within 60 days;

(9) the Company or any of its Subsidiaries pursuant to or within the meaning of Bankruptcy Law:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a custodian of it or for all or substantially all of its property, or

(D) makes a general assignment for the benefit of its creditors; and

(10) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any of its Subsidiaries in an involuntary case;

(B) appoints a custodian of the Company or any of its Subsidiaries or for all or substantially all of the property of the Company or any of its Subsidiaries; or

(C) orders the liquidation of the Company or any of its Subsidiaries;

and the order or decree remains unstayed and in effect for 60 consecutive days.

Notwithstanding the foregoing, at the election of the Company, for the first 90 days after the occurrence of an Event of Default specified in Section 7.1(3) of the Indenture relating to any failure by the Company to comply with the requirements of Section 314(a)(1) of the TIA, the remedy for such an Event of Default shall consist exclusively of the right to receive an extension fee on the Notes at an annual rate equal to 0.25% of the principal amount of the Notes.

In the event that the Company does not elect to pay the extension fee upon an Event of Default in accordance with this paragraph, the Notes will be subject to acceleration as provided herein. The extension fee will accrue on all outstanding Notes from and including the date on which an Event of Default relating to a failure to comply with the requirements of Section 314(a)(1) of the TIA first occurs up to but not including the 90th day thereafter (or such earlier date on which the Event of Default relating to such obligations shall have been cured or waived pursuant to Section 7.4 of the Indenture). On such 90th day (or earlier, if such Event of Default is cured or waived pursuant to Section 7.4 of the Indenture prior to such 90th day), such extension fee will cease to accrue and shall become due and payable and, if such Event of Default has not been cured or waived pursuant to Section 7.4 prior to such 90th day, then the Trustee or the holders of not less than 25% in principal amount of the Notes may declare the principal of and accrued and unpaid interest on all such Notes to be due and payable immediately. This provision shall not affect the rights of Holders in the event of the occurrence of any other Event of Default. If the Company elects to pay the extension fee in accordance with this paragraph, the Company shall notify, in the manner provided for in Section 11.2 of the Indenture, the Holders and the Trustee of such election at any time on or before the close of business on the date on which such Event of Default first occurs. If the extension fee is payable under this Section 7.1 of the Indenture, the Company shall deliver to the Trustee an Officers' Certificate to that effect stating the date on which the extension fee is payable. Unless and until a Responsible Officer receives at the Corporate Trust Office such a certificate, the Trustee may assume without inquiry that no extension fee is payable. If the extension fee has been paid by the Company directly to the Persons entitled to such fee, the Company shall deliver to the Trustee a certificate setting forth the particulars of such payment.

(12) **Trustee dealings with company.** The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

(13) **No recourse against others.** A director, officer, employee, incorporator or stockholder of the Company, as such, will not have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

(14) **Open market purchases.** The Company may, to the extent permitted by applicable law, at any time, and from time to time, purchase Notes at any price in the open market or otherwise.

(15) **Authentication.** This Note will not be valid until authenticated by the manual signature of the Trustee or an Authenticating Agent.

(16) **Abbreviations.** Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(17) **CUSIP numbers.** Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of repurchase or conversion as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of repurchase or conversion, and reliance may be placed only on the other identification numbers placed thereon.

(18) **Governing law.** THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.
